

Bravery Brewing Company

Charitable Event Policy

At Bravery Brewing Company we understand there are many great charitable causes. We receive a large number of requests and as much as we'd like to, we cannot support every event.

The California ABC is very specific as to who beer manufacturers can donate to. If you are not a tax-exempt 501(c)3 or 501(c)6 organization, we cannot donate beer to you. Under California law, merchandise may not be donated. We get many requests for items to fill a gift basket such as shirts and hats, but the law does not permit us to do so. Current law also dictates that donated beer may not be auctioned and all beer donated to a non-profit event must be consumed on the premises. No beer may be removed from the event.

If you are a tax-exempt 501(c)3 or 501(c)6 organization and would like us to consider donating beer to your organization, please send the following information at least 6 weeks before your event to info@braverybrewing.com.

Contact person's name, address, email and cell phone number.

Your organization's name, address and website if applicable.

Name of the event, date of event, address of the event and start and stop times.

Any marketing material for the event.

Your organization's tax ID number.

A copy of your ABC special daily license and the name and information on the non-profit the event is benefiting.

If you plan to use Bravery Brewing Company in your marketing material, you must first obtain permission from us before publishing any of our proprietary property including our logo. When using our company name, do not refer to us as "Bravery Brewery." Our correct name is **Bravery Brewing Company**. Bravery Brewing is also acceptable.

Do you have a jockey box or bar system for tapping your keg(s) at your event? We have a very limited number of jockey boxes available and can't guarantee one for your event. They are released on a first come, first served basis. A deposit is required for kegs, jockey boxes, tap handles and any other equipment. Please note ABC law does not allow us to provide cups or ice for events.

Will our beer be sold or dispensed for free? What serving size(s) will you be pouring? (ex: 4oz, 12oz, 16oz) How many attendees are you expecting?

Please tell us why you think it is important to have Bravery Brewing Company beer served at your event.

Please allow 7 business days for us to respond to your request.
